

## Join the Kitchen Garden Classroom!

From pre-schoolers to primary schoolers to secondary schoolers, ALL Australian students can now grow, harvest, prepare and share their own fresh, seasonal, *delicious* food!

Kitchen Garden Classroom membership provides access to:

- The Shared Table, a unique online kitchen garden community with dozens of new posts daily and a weekly news digest
- Hundreds of child-friendly recipes using fresh, seasonal produce that children can grow in their very own kitchen garden
- Hundreds of information sheets and templates to help you get started and run a successful kitchen garden program
- Hundreds of teaching and learning resources, including classroom activities aligned to the Australian Curriculum
- Videos, stories and examples to inspire your staff and students
- Kitchen garden program syllabus books (early learning, primary and secondary syllabus coming soon!)
- Face-to-face and online training, and free webinars run by an experienced team of kitchen garden educators
- Email and phone support from our friendly and professional team!

**Total price: \$275 inc. GST (inc. \$165 joining fee and \$110 annual renewal)**

### Free starter resources

Hungry for a taste of pleasurable food education? Visit the website to download your free starter resources.

### Not a school or learning centre?

Parents can pass this flyer to your Principal, teacher or child care staff to encourage your school or centre to join. Government, community, health or education organisations can phone 13000 SAKGF (1300 072 543) or email [support@kitchengardenfoundation.org.au](mailto:support@kitchengardenfoundation.org.au) for more information.
